MEMBERS ONLY is OPEN for BUSINESS

Webmaster Jeff C. proudly announces the official opening of the "Members Only" section of the BBC website. Some of you have already spotted it (aren't you the smart ones!) on the main webpage in the lower right. The response so far has been GREAT! THANKS!

In order to gain access you must be a CURRENT BBC MEMBER and in GOOD STANDING. Email Jeff at webmaster@barebunscalifornia.org and give him the user name and password you want to use. No specific number or type of character in either--but it IS CASE-SENSITIVE. Log-in should be ready for you in a day or so. These have to be entered individually and we expect Jeff to be swamped with requests at first, so please be patient.

Once it's up and going, the capability provides complete security. Each user has an individual log-in and every log-in is recorded.

Currently, the page shows some pics of bare buns, but directions to venues and other info will be posted shortly.

This is a fabulous opportunity for YOU--the contributing members of BBC to SPEAK and SHARE your experiences about BBC events and also SUGGEST what we can do to make the club more fun than it already is! For example: For those of you who attended John and Steve's fabulous pool party...What did you like? What didn't you like? TELL US!

BY LAWS CHANGE PROPOSAL

The Steering Committee has begun the process of reviewing the by-laws. The first proposal is to delete Paragraph 2.14 completely. A quorum was reached to delete door fees for first-timers or anybody in the by-laws of the organization.

You will get additional mailings on this issue and a final discussion and vote will be held at the next Steering Committee meeting July. All current members are encouraged to attend.

RSVP/DE-RSVP

If you RSVP for an event and discover that you cannot attend, please DE-RSVP in order that guys on the waiting list can be include. DE-RSVP at:RSVP@BareBunsCalifornia.org

ANNUAL
4th of JULY BASH with
BBC!

May was a super BBC month! The Cinco De Mayo Party brought together about 20 members under very short notice. The food was fantastic and a big Thank YOU to Mikee for hosting. The weather was wonderful and your hot tub really ROCKED.

The pool party at John and Steve's was also a huge hit. 40 people attended this event and we managed to dodge the May Gray weather for the entire afternoon. We were blessed w/ plenty of sunshine, an array of dishes and great friends to share the afternoon with.

Thanks to JOHN AND STEVE AND everyone for making this a great kick off to the summer season.

Confidence is contagious. So is lack of confidence.
